PS 19 STUDENTS DONATE MONEY TO FAVORITE CHARITY

The Young Helpers of PS 19 recently made a donation of $228 to the Staten Island Zoo, West Brighton.

Students from the school made the check presentation to Kenneth Mitchell, interim director of the Zoo.

The Young Helpers of PS 19 is a community service organization within the school. Students raised funds through their Penny Harvest campaign.

Through the campaign, students raised funds within the school and also by placing canisters throughout the community, including a canister at the Zoo’s concession restaurant.

The Penny Harvest Campaign encourages students to collect pennies on behalf of their favorite charity/non-profit organization. The Staten Island Zoo received the most votes as the school's favorite charity.
